NEW ZEALAND GAP YEAR PACKAGE

Experience 10 days of fun with people from all over the world & get set up for your gap year in New Zealand. We'll show you the best of northern New Zealand off the beaten track, help you plan the trip of a lifetime around the country and fix you up with job opportunities after your first week.

AUCKLAND - COROMANDEL - WAITOMO - ROTORUA - TAUPO - AUCKLAND

DAY 1 WELCOME TO AUCKLAND!

Kia Ora and welcome to New Zealand! Your airport shuttle will take you to your Auckland city accommodation. At check in, you will be provided with a rundown on what's happening this week and you will receive your SIM card which you can use straight away!

Spend the afternoon at your own leisure exploring your surroundings and meeting new friends!

DAY 2 CITY & SET UP

This morning, join our group info session where our partners will explain everything you need to know about New Zealand. If you're here on a working holiday visa, we'll talk to you about finding work, getting your tax number set up and other important bits. We'll also walk you through setting up your bank account if required.

This afternoon, it's time to explore Auckland on our city tour! You'll see the main hot spots, get the inside scoop on where to find the best coffee and food, where to go out & much more

DAY 3 AUCKLAND TO HOT WATER BEACH

Today the Ultimate group begin their North Island Adventure as we head out of the City of Sails towards the Coromandel Peninsula and spend the afternoon at Cathedral Cove. This iconic coast is great for swimming, kayaking and exploring. Later this afternoon we carry on to Hot Water Beach where you can hit the beach with your shovel at low tide and dig your own hot pool in the sand.

DAY 4 HOT WATER BEACH TO WAITOMO

This morning we'll set off towards Waitomo ('wai' meaning water, 'tomo' meaning hole) where you will get the chance to visit the world famous Waitomo Glowworm Caves. Here we'll put on our wetsuits and go underground to experience one of our top rated NZ activities with The Legendary Black Water Rafting Company. For those not up for the challenge, we'll keep dry and explore the mysterious Ruakuri Cave.

DAY 5 WAITOMO TO ROTORUA

We start the day with a walk through the Ruakuri Reserve before heading to Rotorua, the Maori culture capital of New Zealand. Along the way we will stop at The Shires Rest where we go on an adventure through the enchanting Hobbiton Movie Set! Tonight we partake in a traditional Maori Hangi and evening cultural experience.

DAY 6 FREE DAY IN ROTORUA

Today is a free day to explore Rotorua or add on an optional activity. We recommend exploring the geothermal reserve of Te Puia, with New Zealand's largest geyser and a chance to see a real live Kiwi bird.

DAY 7 ROTORUA TO TAUPO

Today we continue our travels to the the adventure capital of the North Island - Taupo. Taupo is famous for having New Zealand's biggest lake! Sign up here for the Tongariro Crossing or Skydive over Taupo!

DAY 8 FREE DAY IN TAUPO

For those up for the challenge, get up early and hike one of New Zealand's great walks - The Tongariro Crossing! Alternatively, enjoy a sleep-in and experience one of the many activities on offer. Take a walk down to Spa Park to relax in the natural hot springs by the river or if you're an adrenaline seeker, sign up to skydiving, bungee jumping, sailing or jet boating!

DAY 9 TAUPO TO AUCKLAND

Today we make our return journey to Auckland and our home base. You will spend your final night on tour enjoying the company of your new friends!

It's time to say goodbye to your group and plan the next part of your adventure, whether you're travelling on or staying in Auckland a while longer, your guide will be available to help you plan!
